

## CURRICULUM VITAE – DAVID B. REDWINE, M. D.

### PERSONAL:

Born: Ft. Worth, Texas  
Residence: Bend, Oregon

### EDUCATION:

Grades K-12, 1953 - 1966, Ft. Worth, Texas, Independent School District  
Stanford University, 1966 - 1970, Palo Alto, California; Major: Biological Sciences; Degree: AB  
Baylor College of Medicine, 1970 - 1973, Houston, Texas; Degree: MD  
University of Oregon Health Sciences University, Portland, Oregon; Rotating Internship, 1974 - 1975  
University of Oregon Health Sciences University, Portland, Oregon; Residency in Ob Gyn, 1975 – 1978

**LICENSES:** Texas E1926, issued January 19, 1974 (inactive)  
Oregon 9578, issued July 12, 1975

### PROFESSIONAL ASSOCIATIONS:

Diplomat, American Board of Obstetrics and Gynecology  
Fellow, American Congress of Obstetricians and Gynecologists  
Central Oregon Medical Association  
Oregon Medical Association  
American Society for Reproductive Medicine  
Society of Reproductive Surgeons  
American Association of Gynecologic Laparoscopists  
Pacific Northwest Obstetrical and Gynecological Society  
Accredited by Accreditation Council of Gynecologic Endoscopy for advanced laparoscopy, 1996

**HOSPITAL AFFILIATION:** Active Staff, St. Charles Medical Center, Bend, Oregon, 1978 – May, 2012.

### PROFESSIONAL ACTIVITIES:

Private practice in obstetrics and gynecology, Bend, Oregon, 1978 to May, 1988  
Private practice limited to gynecology, Bend, Oregon, May, 1988, to May, 2012.  
Chief, Dept of Ob Gyn, St. Charles Medical Center, Bend, Oregon, 1981-1982 and 1986-1987  
Endometriosis Association advisor.  
Medical Director, Endometriosis Institute of Oregon, Bend, Oregon, 1987 to present  
Abstractor, *Surgery, Gynecology and Obstetrics*, 1978 - 1991  
Ad hoc referee for: *The American Journal of Obstetrics and Gynecology, Obstetrics and Gynecology, Fertility and Sterility, British Journal of Obstetrics and Gynaecology, International Journal of Obstetrics and Gynecology, Journal of Assisted Reproduction and Genetics, Journal of The American Association of Gynecologic Laparoscopists, Acta Obstetrica et Gynecologica Scandinavica Gynaecological Endoscopy, Gynaecologic and Obstetric Investigation*  
Trustee, American Association of Gynecologic Laparoscopists (AAGL), 1994, 1995  
Editorial Advisory Board, *Journal of the AAGL*, 1995-1996.  
Video Committee of the AAGL, Chair, 1996; Co-chair 1997.  
Editor, *Newscope of the AAGL*, 1995-1998.  
Board of Editors, *Video Journal of Ob/Gyn*, Medical Video Productions, 1994 - 1999.  
Board of Editors, *Ob/Gyn and Endoscopy News*, 1994 - 2000.  
Board of Editors, *Gynaecological Endoscopy* 1998 - 2002  
Honorary Life Member, Australian Gynaecologic Endoscopy Society, 1996  
Honorary Life Member, British Society of Gynecologic Endoscopy, 2003  
Nominated for Honorary membership in Royal College of Obstetricians and Gynecologists, 2004  
Case Reviewer, Accreditation Council of Gynecologic Endoscopy, 1995 – 1996

Endometriosis Classification Committee, AAGL. 2009  
Member, Endometriosis Committee, AAGL, 2010  
Currently retired.

**PUBLICATIONS:**

**Peer-Reviewed Journals:**

1. Redwine DB. Complete heart block due to secondary tumors of the heart. *Tex Med* 1974;70:59-64.
2. Redwine DB. The distribution of endometriosis in the pelvis by age groups and fertility. *Fertil Steril* 1987;47:173-5.
3. Redwine DB. Age related evolution in color appearance of endometriosis. *Fertil Steril* 1987;48:1062-3.
4. Redwine DB. Is "microscopic" peritoneal endometriosis invisible? *Fertil Steril*, 1988;50:665-6.
5. Redwine DB. Mulleriosis: the single best fit model of origin of endometriosis. *J Reprod Med* 1988;33:915-920.
6. Redwine DB. Symptomatic internal hernia of the broad ligament: a complication of electrocoagulation therapy of endometriosis. *Obstet Gynecol* 1989;73(2):495-6.
7. Redwine DB. Peritoneal pockets and endometriosis: confirmation of an important relationship with further observations. *J Reprod Med* 1989;34:270-2.
8. Redwine DB. Peritoneal blood painting: an aid in the diagnosis of endometriosis. *Am J Obstet Gynecol* 1989; 161:865-6
9. Redwine DB, Sharpe DR. Endometriosis of the obturator nerve. *J Reprod Med* 1990;35:434-5.
10. Redwine DB, Yocom L. A serial section study of visually normal peritoneum in patients with endometriosis. *Fertil Steril* 1990;54:648-51.
11. Redwine DB, Sharpe DR. Laparoscopic segmental resection of the sigmoid colon. *J Laparoendosc Surg* 1991;1:217-20.
12. Redwine DB. Conservative laparoscopic excision of endometriosis by sharp dissection: life table analysis of reoperation and persistent or recurrent disease. *Fertil Steril* 1991; 56:628-34.
13. Sharpe DR, Redwine DB. Laparoscopic segmental resection of the sigmoid and rectosigmoid colon for endometriosis. *Surgical Laparosc Endosc* 1992;2:120-4.
14. Redwine DB. Laparoscopic en bloc resection for treatment of the obliterated cul de sac in endometriosis. *J Reprod Med* 1992;37:695-8.
15. Redwine DB. Laparoscopic excision of endometriosis with 3 mm scissors: Comparison of operating times between sharp excision and electro-excision. *J Am Assoc Gynecol Laparosc* 1993;1:24 - 30.
16. Redwine DB. Remote postoperative recollection of preoperative pain in patients undergoing excision of endometriosis. *J Am Assoc Gynecol Laparosc*, 1994;1:140-5.
17. Bieber EJ, Redwine DB, Tucker RD, Mittendorf R. An in-vivo evaluation of the correlation between histologic and visually estimated zones of injury created with monopolar electrosurgery. *J Am Assoc Gynecol Laparosc*. 1994;1:S3-4.
18. Redwine DB. Endometriosis persisting after castration: Clinical characteristics and results of surgical management. *Obstet Gynecol* 1994;83:405-13.
19. Redwine DB. Laparoscopically-assisted vaginal hysterectomy: Comparison with abdominal and vaginal hysterectomy. *J Am Assoc Gynecol Laparosc* 1995; 2:305-10.
20. Redwine DB, Koning M, Sharpe DR. Laparoscopically assisted transvaginal segmental bowel resection for endometriosis. *Fertil Steril* 1996;65:193-7.
21. Rana N, Rotman C, Hasson HM, Redwine DB, Dmowski WP. Ovarian remnant syndrome after laparoscopic hysterectomy and bilateral salpingo-oophorectomy for severe pelvic endometriosis. *J Am Assoc Gynecol Laparosc* 1996; 3:423-6.
22. Redwine DB. Database management for personal computers, I. *J Am Assoc Gynecol Laparosc* 1996; 3: 469-74.
23. Redwine DB. Database management for personal computers, II. *J Am Assoc Gynecol Laparosc* 1996; 3: 643-50.
24. Redwine DB. Database management for personal computers, III. *J Am Assoc Gynecol Laparosc* 1996; 4: 95 - 101.
25. Kretz JM, Redwine DB, Olive DL. Database management for personal computers, IV. *J Am Assoc Gynecol Laparosc* 1997;4:285-9.
26. Redwine DB. Ovarian endometriosis: A marker for more severe pelvic and intestinal disease. *Fertil Steril* 1999;73:310-5.

27. Redwine DB, Wright J. Laparoscopic treatment of obliteration of the cul de sac in endometriosis: Long term followup. *Fertil Steril* 2001;76:358-65.
28. Redwine DB. Diaphragmatic endometriosis: diagnosis, surgical management, and long-term results of treatment. *Fertil Steril* 2002;77:288 - 96.
29. Redwine DB. Was Sampson wrong? *Fertil Steril*, 2002;78:686-93.
30. Redwine DB. 'Invisible' Microscopic Endometriosis: A Review. *Gynecologic and Obstetric Investigation* 2003;55:63-67.
31. Wright JT, Redwine DB. Treatment of endometriosis - a special skills module only? (Editorial) *Gynecol Surg* 2004;1:67 - 8.
32. Thompson JC, Redwine DB. Chronic pelvic pain associated with autoimmunity and systemic and peritoneal inflammation and treatment with immune modification. *J Reprod Med* 2005;50:7445 - 58.
33. Prostaglandin E2 via steroidogenic factor-1 coordinately regulates transcription of steroidogenic genes necessary for estrogen synthesis in endometriosis. Attar E, Tokunaga H, Imir G, Yilmaz MB, Redwine D, Putman M, Gurates B, Attar R, Yaegashi N, Hales DB, Bulun SE. *J Clin Endocrinol Metab* 2009; 94:623-31.
34. Peireira R, Zanatta R, Redwine DB. The feasibility of laparoscopic bowel resection performed by a gynecologist to treat endometriosis. *Curr Opin Obstet Gynecol* 2010, 22:344 - 53.

**Other Journals:**

1. Speroff L, Redwine DB. Exercise and menstrual function. *Phys SportsMed*, 1980;8:42.
2. Redwine DB. Treatment of bowel endometriosis. *Referances en Gynecologie Obstetrique*, 1993;1:200-209.
3. Redwine DB. Endometriosis: 9 tough questions. (panelist) *OBG Management*. July 1998; 37 - 57.
4. Redwine DB. Excising endometriosis. *OBG Management*. Dec 1998:24 - 40.

**Monograph Chapters:**

1. Redwine DB. Laparoscopic Excision of Endometriosis by Sharp Dissection, In: Martin DC, ed., *Laparoscopic appearance of endometriosis*. Memphis: The Resurge Press,1990:9-19.
2. Redwine DB. Age-related evolution in the color appearance of endometriosis. In: Martin DC, ed., *Atlas of Endometriosis*. Gower, London, 1993, 6.1 - 6.4.
3. Redwine DB. Laparoscopic diagnosis of endometriosis. *Surgery for endometriosis. Operative techniques in gynecologic surgery*, WB Saunders. 1997, 2:58 - 66.
4. Redwine DB. Endometriosis: ignorance, politics and 'Sophie's choice. In: Redwine DB, ed., *Gynaecol Forum; Med Forum International* 2003;8:3 - 5.
5. Redwine DB. Diaphragmatic endometriosis. In: Redwine DB, ed., *Gynaecol Forum; Med Forum International* 2003;8:34 - 6.

**Book Chapters:**

1. Redwine DB. The visual appearance of endometriosis and its impact on our concepts of the disease. In: Chadha DR, Buttram VC, eds. *Current concepts in endometriosis*. New York, Alan R. Liss, *Prog Clin Biol Res* 1990;323:393-412.
2. Redwine DB. Treatment of endometriosis-associated pain. In: Olive DL, editor, *Endometriosis: Infertility and Reproductive Medicine Clinics of North America*. Philadelphia: WB Saunders 1992:697-720.
3. Redwine DB. Complications of sharp and blunt adhesiolysis. In: Corfman R, Diamond M, DeCherney A, editors. *Complications of endoscopy*. Boston: Blackwell, 1993:123-8. First Edition.
4. Redwine DB. Laparoscopic excision of endometriosis by sharp dissection. In: Soderstrom RA, ed., *Operative Laparoscopy, The Masters' Techniques*. New York, Raven Press. 1993:101-6. 1st Edition.
5. Redwine DB, Perez JJ. Laparoscopic presacral neurectomy. In: Soderstrom RA, ed., *Operative Laparoscopy, The Masters' Techniques*. New York, Raven Press. 1993:157-60. 1st Edition

27. AAGL 19th annual meeting, November 14-18, 1990, Orlando, Florida:
  - a) Breakfast Roundtable: Laparoscopic excision of endometriosis by sharp dissection;
  - b) Laparoscopic excision of bowel endometriosis;
  - c) Avoiding damage to the ureter during laparoscopic surgery;
  - d) Frequency of involvement of pelvic areas by endometriosis treated by laparoscopic excision by sharp dissection (LAPEX) -poster presentation; e) Resection of the uterosacral ligaments by laparoscopic sharp dissection in endometriosis surgery - poster presentation; f) 4 videos - see Videos above; video section co-chairman.
28. Advanced operative laparoscopy. Postgraduate course sponsored by the American Association of Gynecologic Laparoscopists, Miami, Florida, Feb 28-March 2, 1991
29. Modern Surgical Treatment of Endometriosis, sponsored by the University of Arizona School of Medicine, Scottsdale, Arizona, Mar 14-16, 1991
30. "Laparoscopic excision of endometriosis", University of Lille, Lille, France, August 29 - 31, 1991  
Live surgery demonstration.
31. "Laparoscopic excision of endometriosis with 3 mm monopolar scissors." Bali, Indonesia, Sept 22 - 24, 1991
32. American Fertility Society Annual Clinical Meeting, Orlando, FL, October 22, 1991  
Poster presentations:
  - a) Laparoscopic excision of endometriosis by sharp dissection. Lifetable analysis of persistence/recurrence; b) Persistent Endometriosis After Surgical Castration
33. Advanced endoscopic surgery course. St. Mary's Hospital, Milwaukee, WI "The visual appearance of endometriosis"; "Surgical management of endometriosis"; "Bowel endometriosis and presacral neurectomy" November 1-2, 1991
34. Advanced endoscopic surgery: From the beginning to the ultimate. Atlanta, GA, November 9, 1991
35. American Association of Gynecologic Laparoscopists 20th Annual Meeting, Las Vegas, Nevada:
  - a) "The anatomic basis of laparoscopic treatment of the obliterated cul de sac" plenary session and breakfast roundtable; b) Controversies in Gyn Surgical Laparoscopy: The LUNA procedure ("pro")
36. Washington State Obstetrical Association Annual Meeting, Seattle, Washington.
  - a) Endometriosis: Impressions and Assessments; b) Treatment of bowel endometriosis;
  - c) Videos: Laparoscopic excision of endometriosis with 3mm monopolar scissors. Low anterior resection for endometriosis.
37. Grand Rapids Area Medical Education Center, Grand Rapids, MI, Feb, 19, 1992
  - a) The Visual Appearance of Endometriosis; b) Treatment of Endometriosis-Associated pain;
  - c) Video: Laparoscopic Presacral Neurectomy with 3 mm monopolar scissors
38. Advanced operative laparoscopy, St. Joseph's Hospital; Houston, TX. Feb, 20 - 22,1992
  - a) The Visual Appearance of Endometriosis; b) Laparoscopic Presacral Neurectomy; c) Principles of Electrosurgery; d) Cul de sac dissection in endometriosis; e) Videos: multiple
39. Advanced operative laparoscopy post graduate course.
  - a) Endometriosis; b) Radical pelvic procedures. American Association of Gynecological Laparoscopists. Miami, Florida. February 28 - 29, 1992
40. Modern Surgical Treatment of Endometriosis, Phoenix, AZ. University of Arizona, March 19 - 21, 1992
  - a) Microscopic Endometriosis; b) Laparoscopic Excision of Endometriosis with 3 mm monopolar scissors; c) LUNA and laparoscopic presacral neurectomy; d) Why Surgery?; e) Videos: multiple
41. Advanced operative laparoscopy. The University of Chicago, Chicago, Illinois. March, 1992
42. Identification and excision of endometriosis, Madigan Army Hospital, Tacoma, WA, June 10, 1992
43. Advanced operative pelviscopy and laser surgery, Alvarado Hospital, San Diego, CA, June 11-14, 1992
44. World Congress of Gynecological Endoscopy/ 21st Annual Meeting of the American Association of

Gynecological Laparoscopists. Chicago, IL. Sept, 1992.

a) Faculty: Post Graduate Course in Advanced Operative Laparoscopy; b) Co-Chairman, Video Section;

Videos:

a) Laparoscopic excision of endometriosis with 3mm monopolar scissors \*\*\* First Prize Video \*\*\*

b) Laparoscopic low anterior resection for treatment of the obliterated cul de sac in endometriosis.

45. Advanced laparoscopic surgery, Singapore. Sponsored by Thomsen Medical Center Oct, 1992  
a) Didactic lectures; b) Porcine animate lab instructor; c) Live surgery demonstrations.
46. Advanced laparoscopic surgery course, St. Luke's Hospital, St. Louis, MO. Oct, 23,24 1992  
a) Principles and Application of Modern Unipolar Electrosurgery in Laparoscopy  
b) Laparoscopic presacral neurectomy, appendectomy and hysterectomy with 3 mm monopolar scissors  
c) Who's the expert here? CPT codes, ACOG and Laparoscopic surgery.
47. Laparoscopic treatment of endometriosis. Advanced operative laparoscopy, Maui, Hawaii, sponsored by the Texas Endosurgery Institute Dec, 1992
48. Laparoscopic treatment of endometriosis. Advanced operative laparoscopy seminar, Jacksonville, NC, sponsored by Onslow Memorial Hospital, Jan, 1993
49. Modern Surgical Management of Endometriosis, 4th Annual Symposium. Phoenix, AZ, sponsored by The University of Arizona Health Sciences Center. Scottsdale, AZ, March 18-20, 1993.  
a) Why Surgery?; b) Microscopic endometriosis; c) Excision with monopolar scissors; d) Politics
50. How to make a surgical video. Presented at the 1st International Gynecological Endoscopy Film Festival, San Diego, CA, August 27,28, 1993.
51. International Workshop on Gynecological Endoscopic Surgery, Rome, Italy September 10,11, 1993. Sponsored by the University of Rome  
a) Electrosurgical excision of endometriosis; b) Laparoscopic bowel resection.
52. Endometriosis. All Staff Meeting. Waukesha Memorial Hospital. October 5, 1993
53. Endometriosis. Why Surgery? sponsored by Milwaukee Ob-Gyn Society. October 5, 1993.
54. Laparoscopic presacral neurectomy. Is it effective? Debate. Pro: David Redwine, Joe Feste Con: Alan DeCherney, John Rock. 49th Annual Meeting of the American Fertility Society, Montreal, Quebec, Canada. October 12, 1993.
55. American Association of Gynecologic Laparoscopists, Post Graduate Course, San Francisco, CA November 11, 1993  
a) Microscopic and subperitoneal endometriosis  
b) Surgical therapy - rationale and results  
c) Can the health care industry survive operative laparoscopy?
56. American Association of Gynecologic Laparoscopists, San Francisco, CA November 12-14, 1993  
a) Laparoscopic treatment of psammocarcinoma  
b) Roundtable: Endometriosis persisting after castration.  
c) Co-Chair of various seminars
57. Workshop on advanced operative laparoscopy. Toronto, Ontario, Canada Nov, 1993  
a) Diagnosis and treatment of endometriosis.  
b) Live surgery: 2 cases of extensive endometriosis and partial thickness bowel resection.  
c) Goat lab proctor.
58. Endo Expo 93. Financial Horizons- Can Laparoscopic Surgery Survive RBRVS? sponsored by The Society of Laparoendoscopic Surgeons. Orlando, Florida Dec, 1993.
59. Laparoscopic electroexcision of endometriosis. Monash University, Melbourne, Australia. March 25, 1994.
60. Endometriosis. 1st National Symposium on Endometriosis. March 26, 1994, Melbourne, Australia.
61. Laparoscopic excision of endometriosis; Laparoscopic presacral neurectomy; Laparoscopic treatment of intestinal endometriosis; pig lab instructor. Palm Springs, CA sponsored by AIMS. April 7, 1994.
62. Avoiding complications in intestinal endometriosis. Avoiding complications in laparoscopic presacral neurectomy. Seattle, WA. Sponsored by The Society of Laparoendoscopic Surgeons. June 10,11, 1994
63. Audiovisual Committee/Moderator, 2nd International Gynecologic Endoscopic Film Festival, San Diego, CA Sponsored by AAGL. July 8,9, 1994.
64. Laparoscopic excision of endometriosis; Laparoscopic presacral neurectomy; Laparoscopic treatment of intestinal endometriosis. Pig lab instructor. Vancouver, B.C., sponsored by AIMS. July 28,29 1994.

65. Laparoscopic myomectomy, laparoscopic presacral neurectomy, how not to do laparoscopy. Controversies in Obstetrics and Gynecology, Sunriver, OR. Sponsored by The University of Chicago, August 11, 12, 1994.
66. Laparoscopic bowel resection for endometriosis. European Certification Conference for Endoscopy, Clermont-Ferrand, France. September 22, 1994.
67. AAGL 23rd Annual Meeting, NY, NY, October 18 - 23, 1994  
Chair, Post Graduate Course - Surgical Approaches to Endometriosis.
  - a) Laparoscopic hysterectomy compared to abdominal hysterectomy in a community hospital.
  - b) An in-vivo evaluation of the correlation between histologic and visually estimated zones of tissue injury created with monopolar electrosurgery. Co-authors: EJ Bieber, RD Tucker, R Mittendorf.
  - c) Efficacy of presacral neurectomy for the relief of midline pelvic pain. Co-authors: DA Metzger, M Montanino-Olivia, GD Davis
  - d) Roundtable: Laparoscopic presacral neurectomy. Technique and results of treatment.
  - e) Video: Monopolar electrosurgery: Quantification of biophysical effects. (3rd Prize)
68. Annual Conference on Surgical Treatment of Endometriosis, Phoenix, AZ March 16 - 18, 1995.
  - a) Anatomy of the bowel and presacral space.
  - b) Endometriosis: Why surgery?
  - c) Endometriosis persisting after castration.
  - d) Recurrence/persistence of endometriosis after excision: a lifetable analysis.
69. Advanced Laparoscopic Surgery Course, Squaw Creek, CA. Sponsored by Mercy Hospital, Sacramento, CA, July 5,6, 1995.
  - a) Rationale of surgical treatment of endometriosis.
  - b) Presacral neurectomy
  - c) Identification, avoidance and treatment of urinary tract injury.
  - d) Physics of electrosurgery
70. Advanced laparoscopic surgery. Vancouver, BC. sponsored by AIMS.
  - a) Laparoscopic Dx and Rx of endometriosis
  - b) Advanced endometriosis surgery and presacral neurectomy
  - c) Laparoscopic bowel surgery
  - d) Pig lab instructor. Aug 1995
71. Advanced Gynecological Endoscopic Surgery and Vaginal Surgery. Bourdeaux, France, September 15, 16, 1995.
  - a) Transvaginal segmental bowel resection for intestinal endometriosis.
  - b) Endometriosis 1995: How to treat.
72. Endometriosis Association 15th Annual Meeting. Surgical Options. Milwaukee, WI November 4,5, 1995.
73. 24th Annual Meeting of AAGL, Orlando, Florida, November 9 - 11, 1995
  - a) Co-chair Post Graduate Course: Electrosurgery in endoscopy.
  - b) Luncheon Roundtable: Monopolar electrosurgery.
74. Annual Scientific Meeting, Australian Gynaecological Society, Melbourne, Australia, November 19 - 25, 1995.
  - a) Non-laser surgical treatment of endometriosis
  - b) Cul de sac surgery for obliteration of disease.
  - c) Endometrioma - What is the best treatment?
  - d) Laparoscopic hysterectomy - Real progress or a waste of time?
  - e) Endometriosis surgery - Long term failure rate.
75. International Federation of Gynecologic Endoscopy, Chicago, Illinois, April 18, 1996.
  - a) Advanced treatment including bowel resection and presacral neurectomy.
76. 28th Annual Mat Weiss Symposium, St. Louis, MO. April 20, 21, 1996.
  - a) Surgical treatment of endometriosis.
77. International Congress on Endometriosis, Moscow, Russia, April 24 - 26, 1996.
  - a) Laparoscopic approach to the treatment of endometriosis.
  - b) Laparoscopic treatment of endometriosis.
  - c) Laparoscopic surgery on large bowel.
78. Update in Gyn endoscopy, Squaw Valley, CA, Sponsored by Mercy Hospital, Sacramento, CA, July 1996.
  - a) Surgical treatment of endometriosis.
  - b) Surgical treatment of pelvic pain.
79. How to make a surgical video. 3rd International Endoscopic Film Festival. May, 1996, Phoenix, AZ.

80. Microendoscopy and office endoscopy, San Francisco, CA. July, 1996 Sponsored by AAGL
  - a) Surgical treatment of endometriosis
81. Advanced laparoscopic surgery, Sunriver, OR. August, 1996. Sponsored by The University of Chicago
82. 25th Annual Meeting of the American Association of Gynecologic Laparoscopists, Chicago, IL, Nov, 1996.
  - a) Chairman, Video section
  - b) Personal computer applications in the office.
  - c) Luncheon round table: Maximal surgery with minimal instruments.
83. 13th Annual Controversies in Ob/Gyn. Jacksonville, FL, sponsored by Baptist Medical Center. October 11, 12, 1996
  - a) Is advanced endoscopic surgery primary care?
  - b) Is medical therapy for endometriosis always contraindicated?
  - c) Monopolar electrosurgery: God's gift to laparoscopists
  - d) Endometriosis treatment by Gynecologists: Failure of a profession
84. ESHRE European Conference on Endometriosis. Treatment of deep endometriosis. April 11, 12, 1997. Santa Margarita, Italy.
85. International Congress on laparoscopic treatment of uterine conditions. Moscow, Russia. June 8-11, 1997
  - a) Laparoscopic hysterectomy - the world's most efficient technique.
  - b) live surgery demonstration.
86. Masterclass in surgical endoscopy. Sponsored by the Women's Endoscopic Laser Foundation, Middlesbrough, UK. June 16, 1997.
  - a) Surgical treatment of invasive endometriosis.
  - b) live surgery demonstration
87. World Conference on Endoscopy, Rome, Italy. June 18 - 22, 1997
  - a) Endometriosis and pelvic pain
  - b) Intestinal endometriosis.
88. Controversies in Ob/Gyn. Sponsored by The University of Chicago, Sunriver, Oregon. August, 1997
  - a) Optimizing surgical treatment of endometriosis.
  - b) Is there a role for ERT after definitive therapy for endometriosis?
  - c) live surgery demonstration.
89. 26 th AAGL Annual Meeting, Seattle, Washington. September, 1997
 

Postgraduate Course topics

  - a) Laparoscopic excision of deep fibrotic endometriosis involving the cul de sac including rectal nodules
  - b) Laparoscopic hysterectomy for extensive pelvic endometriosis.
  - c) Laparoscopic intestinal complications:Prevention and management
  - d) Laparoscopic treatment of persistent endometriotic pain following previous hysterectomy
  - e) Video presentations:
    - Laparoscopic treatment of endometriosis of the obturator nerve.
    - Iatrogenic rectovaginal fistula. Laparoscopically-assisted repair.
  - f) Live telesurgery demonstration
90. 53rd Annual meeting ASRM, Cincinnati, OH, October 1997.
 

Video presentations:

  - Laparoscopic treatment of endometriosis of the obturator nerve \*\*\* Second Prize Video \*\*\*
  - Iatrogenic rectovaginal fistula. Laparoscopically-assisted repair.

Postgraduate course and workshop: Intestinal endometriosis.

Oral presentation: Severe intestinal endometriosis and pelvic mapping.
91. 6th Congress of the European Society for Gynaecological Endoscopy, Birmingham, UK Dec 7 - 9, 1997
  - a) Long term result of excisional techniques by laparoscopy.
  - b) Presacral neurectomy as an adjunct to laparoscopic excision of endometriosis
  - c) Clinical use of computers.
92. 46th Annual Clinical Meeting of The American College of Obstetricians and Gynecologists. New Orleans, LA May, 1998
 

Video: "Iatrogenic Rectovaginal Fistula: Laparoscopically-Assisted Repair".
93. Russian Congress on Endoscopic Treatment of Gynecologic Pathology, Moscow, Russia, June 14 - 19, 1998
  - a) Ovarian endometriosis. A marker for more extensive pelvic and intestinal disease.

- b) Laparoscopic hysterectomy for extensive endometriosis.
  - c) live surgery demonstrations.
94. Laparoscopic treatment of deep endometriosis. Aix-en-Provence, France, June 23, 1998.
- a) Laparoscopic treatment of endometriosis.
  - b) live surgery demonstrations.
95. VI th International Conference on Endometriosis, Montreal, Quebec. June 28, 1998.
- a) laparoscopic excision of endometriosis - the Redwine technique.
96. Controversies in Ob/Gyn. Sponsored by The University of Chicago, Sunriver, Oregon. August, 1998
- a) Difficulties and pitfalls in diagnosis and treatment of endometriosis.
  - b) Live surgery.
97. 12th Annual Symposium on Gynecologic Endoscopy, St. Louis, MO, Oct 23, 24, 1998. Sponsored by St. Luke's Hospital.
- a) Evaluation of chronic pelvic pain
  - b) How many unsuccessful thermal ablations of endometriosis are too many?
  - c) Great Debate: Does hysterectomy have a place in treatment of endometriosis? vs Tom Lyons
  - d) Update on endometriosis
  - e) Bowel resection for endometriosis
98. 18th Brazilian Congress on Human Reproduction. Porto Alegre, Brazil, November 6,7, 1998,
- a) History of laparoscopy
  - b) Laparoscopic treatment of ectopic pregnancy
  - c) Laparoscopic treatment of rectovaginal endometriosis
99. 26th Annual Meeting of AAGL, Atlanta, Georgia, November 11, 1998.
- a) Treatment of advanced endometriosis. Post Graduate Course
100. Philadelphia Area Reproductive Endocrinology Society. June 3, 1999, Philadelphia, PA.  
Will the real endometriosis please stand up?
101. European Society of Gynecologic Endoscopy. 8th Annual Meeting, Stockholm, Sweden. Sept 16-18, 1999.
- a) Evidence-based endoscopy. The way we must go?
  - b) Treatment of severe endometriosis. Recurrent disease.
102. Taiwan Association of Obstetric and Gynecologic Endoscopists. 1999 Annual Meeting. Taipei, Oct 1,2, 1999.
- a) Electrosurgical principles
  - b) Surgical treatment of endometriosis
103. First Monte Carlo Congress on Controversies in Endoscopy. Monaco, March 11, 2000.  
Surgical treatment of severe and rectovaginal endometriosis
104. ACOG Section IX Meeting. Indianapolis, Indiana April 20, 2000
- a) History of infertility and endometriosis
  - b) Surgical treatment of endometriosis
  - c) Results of treatment of endometriosis on infertility.
105. FIGO, Washington, D.C. September 17, 2000  
Laparoscopic excision of endometriosis.
106. British Consensus Conference on Surgical Treatment of Endometriosis, Woking, England, Nov 1, 2000.
- 1. Audit in private practice.
  - 2. Management of severe endometriosis.
  - 3. Results of laparoscopic excision of endometriosis.
107. Bologna, Italy, November 7, 2000
- 1. Was Sampson wrong?
  - 2. Surgical techniques for laparoscopic excision of endometriosis.
108. Orlando, Florida, Oct 13, 2001 American Society of Reproductive Medicine
- 1. Oral presentation: Laparoscopic ovarian suspension
  - 2. Video: Laparoscopic ovarian suspension
109. San Francisco, CA, Nov 15, 2001. American Association of Gynecologic Laparoscopists
- 1. Video: Laparoscopic ovarian suspension
110. New York City, Dec 4, 2001 Society for Laparoendoscopic Surgery.
- 1. Treatment of intestinal endometriosis
  - 2. Laparoscopic hysterectomy
  - 3. Laparoscopic complications
111. Auckland, New Zealand, Feb 13, 2002 7th National Women's Minimal Access Surgery Course.

1. Keynote Lecture: Was Sampson wrong?
  2. Treating recto-vaginal endometriosis.
  3. Pathogenesis of endometriosis.
112. San Diego, CA, February 25, 26, 2002, 6<sup>th</sup> Biennial Conference on Endometriosis
1. Oral presentation: Diaphragmatic endometriosis.
  2. Poster presentations:
    - a. Was Sampson wrong?
    - b. Results of surgical series must be included in a theory of origin of endometriosis.
113. Montreal, Canada, June 1 - 4, 2002 11th World Congress on Human Reproduction.
1. Excision vs Thermal ablation for endometriosis: Which surgical technique is best?
  2. ERT after castration for endometriosis.
114. New Orleans, LA, Sept 11 - 14, 2002 Society of Laparoendoscopic Surgeons.
1. Extragenital endometriosis.
115. Seattle, Washington, October 14, 2002. 58th Annual Meeting of the American Society of Reproductive Medicine.
1. Luncheon roundtable: HRT after BSO for endometriosis.
116. Berlin, Germany. March 26, 2003. 4th Controversies in Obstetrics and Gynecology.
1. Should laser vaporization and electrocoagulation of endometriosis be banned?
117. Glasgow, Scotland, June 16 - 18, 2003
1. Alec Turnbull Memorial Lecture - Rectovaginal Endometriosis
  2. Audit in private practice
118. Rome, Italy, Second World Congress on Gynecologic Endoscopy. June 27, 2003
1. Rectovaginal endometriosis
119. Endometriosis Association, Portland, Oregon chapter; May 21, 2004  
Endometriosis: Modern Concepts
120. Las Vegas, NV June 6, 2004  
"Should laser vaporization and electrocoagulation of endometriosis be banned?"  
5th Symposium on Controversies in Obstetrics and Gynecology
121. Cape Town, South Africa September, 2004
- a) Keynote address: "Was Sampson wrong?"
  - b) Electrosurgical excision of endometriosis.
  - c) Is endometriosis an immuno-privileged tissue?
  - d) Debate: Laparoscopic excision of rectal nodules: Is anterior discoid resection necessary? Pro: David Redwine Con: Jacques Donnez
  - e) Treatment of endometriosis pain after hysterectomy.
- Regional meeting of ISGE, Cape Town, South Africa.
122. Wayne State University, Detroit, Michigan Nov, 2004 Grand Rounds
1. Was Sampson wrong? A reappraisal of the origin of endometriosis.
  2. Rectovaginal endometriosis
123. Bend, Oregon January 31 - February 3, 2005. For the Traveling Club of The British Society of Gynecologic Endoscopy.
1. Histology and the origin of endometriosis
  2. What can reoperations tell us about the origin of endometriosis?
124. Milwaukee, Wisconsin. Endometriosis Association 30<sup>th</sup> Annual Meeting. October 8, 2005.  
Debate:  
Pro: David B Redwine, M.D., Endometriosis is a surgically treated disease  
Con: Debbie Metzger, M.D., Endometriosis is a systemic disease.
125. AAGL Annual Meeting, Chicago  
Post Graduate Course: Complications of Laparoscopy
- a) Monopolar electrosurgery
  - b) Bowel injuries
126. May, 2006. Milan, Italy  
Does deep endometriosis cause infertility?
127. Baltimore, Maryland Mercy Medical Center; Contemporary Challenges in Gynecology. October 28, 2006  
"Endometriosis: Recent concepts in pathogenesis and surgical treatment."
128. Las Vegas, Nevada. AAGL Annual Meeting, Nov 5 - 9, 2006  
Post Graduate Course: Endometriosis
1. Rectovaginal endometriosis

## 2. Recurrent endometriosis

Surgical Tutorial – Rectovaginal endometriosis

Luncheon roundtable – Rectovaginal endometriosis

129. Bristol, England. Laparoscopic treatment of advanced endometriosis course. Southmeade Hospital. April 24, 25, 2008.
  1. Was Sampson wrong? Of course.
  2. Principles of monopolar electrosurgery.
  3. Development of the St. Charles Hospital Endometriosis Treatment Program.
130. Palermo, Sicily. June, 2008 Congress on abnormal uterine bleeding and endometriosis.
  1. Rectovaginal endometriosis.
131. Melbourne, Australia. A critical evaluation of the peritoneal circulation modification of Sampson's theory (poster presentation). 7<sup>th</sup> World Congress on Endometriosis. March, 2008.
132. Rational management of pelvic pain and endometriosis. British Royal Society of Medicine teleconference, May 16, 2008.
133. Milwaukee, WI. Rational Management of Endometriosis. Aurora Sinai Medical Center, October, 2008.
134. Theories of origin of endometriosis. Master of Science Class in Gynecological Surgery. University of Surrey, UK, teleconference March, 2009.
135. Theories of origin of endometriosis. Master of Science Class in Gynecological Surgery. University of Surrey, UK, teleconference March, 2010.
136. Istanbul, Turkey, May, 2010. Minimally Invasive Gynecological Surgery
  - a) Rationale for treatment of deeply infiltrating endometriosis. Istanbul, Turkey.
137. Athens, Greece, May, 2010. Complications of laparoscopic surgery.
  - a) Rationale for treatment of deeply infiltrating endometriosis.
138. New York Academy of Sciences, New York City, March, 2011.
  - a) Asteroid mapping, HOX genes and endometriosis.
139. Atlanta, Georgia, World Symposium on Endometriosis. April, 2011
  - a) Intestinal endometriosis
  - b) Chair, live surgery session
140. Istanbul, Turkey. AAGL 5<sup>th</sup> International Congress on Minimally Invasive Gynecology, in conjunction with Turkish Society of Gynecological Endoscopy. April 6 – 10, 2011.
  - a) Diagnosis and treatment of diaphragmatic endometriosis.
  - b) Diagnosis and treatment of intestinal endometriosis
  - c) Understanding endometriosis through the history of pelvic mapping.

### LIVE SURGERY DEMONSTRATIONS:

1. **Birmingham, AL**, Nov 2, 1990.. Laparoscopic excision of endometriosis.
2. **Lille France**, August 30, 1991. Laparoscopic excision of endometriosis, presacral neurectomy; University of Lille.
3. **Singapore**, October 1992. Laparoscopic excision of endometriosis, laparoscopic treatment of intestinal endometriosis.
4. **Toronto, Canada**, Nov, 1993. Laparoscopic excision of pelvic and intestinal endometriosis, laparoscopic presacral neurectomy.
5. **Melbourne, Australia**, March 26, 1994. Laparoscopic excision of endometriosis, en bloc resection of obliterated cul de sac, apical vaginectomy for vaginal endometriosis.
6. **Bordeaux, France**, September, 1995. Laparoscopic excision of endometriosis/extensive adhesiolysis and enterolysis/en bloc resection of pelvic floor for obliteration of cul de sac due to endometriosis.
7. **Melbourne, Australia**, November, 1995.
  - a) Extensive adhesiolysis, excision of extensive endometriosis, en bloc resection of pelvic floor for treatment of obliteration of the cul de sac, partial thickness bowel resection.
  - b) Laparoscopic hysterectomy.
8. **Moscow, Russia**. April 24, 26 1996. Laparoscopic Treatment of Endometriosis.
  - a) Laparoscopic peritoneal resection
  - b) Laparoscopic excision of Stage IV endometriosis/bilateral ovarian cystectomy/obliteration of cul de sac
  - c) Laparoscopic presacral neurectomy/LUNA
9. **Bend, Oregon**, August, 1996. Laparoscopic treatment of endometriosis. Bend, OR. For University of Chicago course, Sunriver,

- a) Laparoscopic excision of endometriosis
  - b) Laparoscopic presacral neurectomy.
10. **Moscow, Russia.** June 8 – 11, 1997. International Congress on laparoscopic treatment of uterine conditions.
    - a) Laparoscopic treatment of rectovaginal endometriosis with full-thickness resection of rectal wall and excision of vaginal endometriosis.
  11. **Middlesborough, England.** June 16, 1997. Masterclass in surgical endoscopy. Sponsored by the Women’s Endoscopic Laser Foundation.
    - a) Laparoscopic excision of left sidewall nodule. Laparoscopic excision of rectovaginal endometriosis with vaginal wall invasion.
  12. Laparoscopic treatment of endometriosis. Bend, OR. For University of Chicago course “Controversies in Ob-Gyn”, August, 1997
    - a) Laparoscopic excision of endometriosis (2 cases).
  13. **Bend, Oregon.** September 26, 1997. Laparoscopic excision of endometriosis, Bend, Oregon Telesurgery demonstration for 26th Annual Meeting of The American Association of Gynecologic Laparoscopists, Seattle, WA
  14. **Moscow, Russia.** June 14 – 19, 1998. Russian Congress on Endoscopic Treatment of Gynecologic Pathology.
    - a) Laparoscopic resection of retroperitoneal endometrioma and rudimentary uterine horn.
    - b) laparoscopic excision of endometriosis.
  15. **Aix-en-Provence, France,** June 23, 1998. Laparoscopic treatment of deep endometriosis.
    - a) Laparoscopic excision of rectovaginal endometriosis with vaginal invasion.
    - b) Laparoscopic excision of rectovaginal nodule of endometriosis with mucosal skinning of rectum.
  16. **Bend, Oregon** August, 1998. Laparoscopic treatment of endometriosis. For University of Chicago course “Controversies in Ob-Gyn”.
    - a) Laparoscopic electroexcision of endometriosis. (2 cases)
  17. **Bologna, Italy,** November 27, 1998. Surgery of the retroperitoneal space. Bologna, Italy, November 27, 1998.
    - a) Laparoscopic treatment of rectovaginal endometriosis with full thickness rectal resection
    - b) Laparoscopic treatment of severe pelvic adhesions and excision of invasive endometriosis.
  18. **Genoa, Italy,** May 11-12, 1999
    - a) Laparoscopic excision of severe pelvic endometriosis, minilap for ileal disease.
    - b) Laparoscopic treatment of obliteration of the cul de sac
    - c) Laparoscopic myomectomy.
    - d) Laparoscopic adhesiolysis, excision of endometriosis, ovarian suspension.
  - Verona, Italy,** May 13, 1999
    - a) Laparoscopic treatment of obliteration of the cul de sac and vaginal endometriosis by full thickness bowel resection and transvaginal repair.
  19. **Woking, England.** Nov 1, 2000
    1. Laparoscopic excision of extensive rectovaginal endometriosis.
 Woking, England. Nov 3, 2000
    1. Laparoscopic treatment of rectovaginal endometriosis
    2. Laparoscopic presacral neurectomy
  20. **Genoa, Italy,** Nov 6, 2000
    1. Laparoscopy, conversion to laparotomy due to hypercarbia secondary to subcutaneous emphysema; full thickness bowel resection.
    2. Laparoscopic excision of extensive endometriosis.
    3. Laparoscopic, excision of extensive endometriosis, conversion to laparotomy to control hemorrhage; full thickness bowel resection.
  21. **Bologna, Italy,** Nov 8, 2000
    1. Laparoscopic excision of invasive endometriosis, ovarian endometriomas, ovarian suspensions
    2. Laparoscopic adhesiolysis, ovarian cystectomies, ovarian suspension.
    3. Laparoscopy, adhesiolysis, conversion to laparotomy with excision of extensive endometriosis and full thickness resections of sigmoid and ileum.
  22. **Verona, Italy,** Nov 9, 2000
    1. Laparoscopic treatment of rectal and vaginal endometriosis, partial thickness bowel resection, transvaginal repair.
  23. **Auckland, New Zealand,** February 14, 2002
    1. Laparoscopic excision of extensive rectovaginal endometriosis with transvaginal segmental bowel

resection.

2. Laparoscopic excision of extensive endometriosis with conversion to laparotomy for fibrosis investing left common iliac vein.

24. **Bend, Oregon** February 1 and 3, 2005. For the traveling group of the British Society of Gynaecologic Laparoscopy.

1. Laparoscopic excision of endometriosis, stage IV with obliteration of cul de sac, presacral neurectomy.
2. Laparoscopic excision of endometriosis
3. Laparoscopic excision of endometriosis, ovarian suspension
4. Laparoscopic adhesiolysis, apical vaginectomy in woman with previous hysterectomy, castration
5. Laparoscopically-assisted vaginal hysterectomy, bilateral salpingo-oophorectomy.
6. Laparoscopic excision of endometriosis, full thickness sigmoid resection, myomectomy

25. **Bristol, England.** April 24, 25, 2007. Advanced Endometriosis Course.

1. Patient 1: Laparoscopy, extensive enterolysis, excision of extensive rectovaginal endometriosis, transvaginal full-thickness bowel resection and repair.

2. Patient 2: Laparoscopy, extensive enterolysis, left salpingectomy, excision of extensive endometriosis, laparoscopically-assisted segmental bowel resection and anastomosis.

26. **Istanbul, Turkey,** May 9, 10, 2010.

1. Laparoscopic excision of endometriosis, Stage IV with complete obliteration of the cul de sac, partial thickness resection of rectum, segmental resection of sigmoid, presacral neurectomy.
2. Laparoscopic excision of endometriosis, Stage IV with complete obliteration of the cul de sac, full thickness resection of rectum for treatment of rectovaginal endometriosis.

27. **Bend, Oregon,** November 8, 2011

1. Telesurgery -Laparoscopic excision of endometriosis after hysterectomy, partial thickness bowel resection. For 40<sup>th</sup> annual meeting of the American Association of Gynecological Laparoscopists, Orlando, Florida.

#### **VIDEO PRODUCTIONS:**

1. "Laparoscopic Excision of Endometriosis". (20:00) January, 1987.

*Presentations at:*

- a. 35th Annual Clinical Meeting, ACOG, April 30, 1987, Las Vegas, Nevada
- b. American Fertility Society Annual Meeting, September 29, 1987, Reno, Nevada
- c. World Congress on Gynecologic Endoscopy, November 12, 1987, San Francisco, CA

2. "The visual appearance of endometriosis and its impact on our concepts of the disease. Part I" produced by the *Video Journal of Obstetrics and Gynecology*. March, 1990.

3. "The visual appearance of endometriosis and its impact on our concepts of the disease. Part II" produced by the *Video Journal of Obstetrics and Gynecology*. May, 1990.

4. "The visual appearance of endometriosis." (15:08) Produced in 1990.

*Presented at:*

- a. The American Association of Gynecologic Laparoscopists 19th Annual Meeting, Orlando, Florida, November, 1990.
- b. The American Fertility Society 46th Annual Meeting, Washington, D.C., November, 1990 \*\*\**AFS Certificate of Merit*\*\*\*

5. "Laparoscopic excision of endometriosis." (20:10) Produced in 1990.

*Presented at:*

- a. The American Association of Gynecologic Laparoscopists 19th Annual Meeting, Orlando, Florida, November, 1990.
- b. The American Fertility Society 46th Annual Meeting, Washington, D.C., November, 1990.
- c. By invitation, ACOG District VII annual meeting, Tulsa, Oklahoma, Oct, 1990.
- d. Presented at the Annual Clinical Meeting of the American College of Obstetricians and Gynecologists, New Orleans, Louisiana, May, 1991.

6. "Laparoscopic presacral neurectomy." (15:30) Produced in 1990.

*Presented at:*

- a. The American Association of Gynecologic Laparoscopists 19th Annual Meeting, Orlando, Florida, November, 1990.
- b. The American Fertility Society 46th Annual Meeting, Washington, D.C., November, 1990.

7. "Laparoscopic excision of intestinal endometriosis." (18:10) Produced in 1990.

*Presented at:* The American Association of Gynecologic Laparoscopists 19th Annual Meeting, Orlando, Florida, November, 1990.

8. "Operating in no-man's land: successful excision of the endometriotic rectal nodule." (20:00)  
Produced in 1990.
9. "Laparoscopic segmental resection of the sigmoid colon for endometriosis" (15:30) Produced in 1991.  
*Presented at:*
  - a. The American Fertility Society 47th Annual Meeting, Orlando, Florida, November, 1991.
  - b. The American Association of Gynecologic Laparoscopists 20th Annual Meeting, Las Vegas, Nevada, November, 1991. \*\*\* *First Prize Video* \*\*\*
10. "Laparoscopic repair of full-thickness bladder penetration" (3:47) Produced in 1991.  
*Presented at:*

1992 Annual Clinical Meeting of the American College of Obstetricians and Gynecologists, Las Vegas, Nevada, May, 1992
11. "Laparoscopic presacral neurectomy with 3 mm monopolar scissors" (8:55) Produced in 1992.  
*Presented at:*
  - a. 1992 Annual Clinical Meeting of the American College of Obstetricians and Gynecologists, Las Vegas, Nevada, May, 1992
12. "Laparoscopic excision of endometriosis with 3 mm monopolar scissors" (11:20) Produced in 1992.  
*Presented at:*
  - a. The American Fertility Society 48th Annual Meeting, New Orleans, LA, November 1992
  - b. The American Association of Gynecologic Laparoscopists 21st Annual Meeting, Chicago, IL, September, 1992 \*\*\* *First Prize Video* \*\*\*
13. "Laparoscopic low anterior resection for treatment of the obliterated cul de sac in endometriosis" (12:50) Produced in 1992.  
*Presented at:*
  - a. The American Fertility Society 48th Annual Meeting, New Orleans, LA, November 1992
  - b. The American Association of Gynecologic Laparoscopists 21st Annual Meeting, Chicago, IL, September, 1992
14. "Laparoscopic presacral neurectomy - Technique and results" (7:11) Produced in 1993  
*Presented at:*
  - a. 49th Annual Meeting of the American Fertility Society, Montreal, Quebec, Canada. October, 1993.
15. "Diaphragmatic endometriosis. Diagnosis and surgical treatment" (17:29) Produced in 1992.  
*Presented at:*
  - a. First International Gynecologic Endoscopic Film Festival, San Diego, CA August, 1993
  - b. The American Fertility Society 49th Annual Meeting, Montreal, Quebec, Canada, 1993
  - c. The American Association of Gynecologic Laparoscopists 22nd Annual Meeting, San Francisco, CA, November, 1993
16. "Laparoscopic nephroureterectomy" (11:12) Produced in 1993.  
*Presented at:*
  - a. First International Gynecologic Endoscopic Film Festival, San Diego, CA August, 1993
  - b. The American Fertility Society 49th Annual Meeting, Montreal, Quebec, Canada, 1993
  - c. The American Association of Gynecologic Laparoscopists 22nd Annual Meeting, San Francisco, CA, November, 1993
17. "Monopolar Electrosurgery: Quantification of biophysical effects" (9:24) Co-authors: Eric Bieber, M.D., University of Chicago, Robert Tucker, M.D., University of Iowa. Produced 1994.  
*Presented at:*
  - a. 2nd International Gynecologic Endoscopic Film Festival, San Diego, CA July, 1994
  - b. The American Association of Gynecologic Laparoscopists 23rd Annual Meeting, New York, NY, October, 1994 \*\*\* *Third Prize Video* \*\*\*
  - c. The American Fertility Society 50th Annual Meeting, San Antonio, TX, November, 1994
  - d. American College of Obstetricians and Gynecologists Annual Clinical Meeting, May 9, 1995, San Francisco, CA
18. "Laparoscopically assisted transvaginal segmental bowel resection for endometriosis" (14:55)  
Produced 1995.  
*Presented at:*
  - a. American Society of Reproductive Medicine. Seattle, WA October 11, 1995.
  - b. American College of Surgeons. New Orleans, LA November 26, 1995.
  - c. The American Association of Gynecologic Laparoscopists 24th Annual Meeting, Orlando, FL,

November, 1995 \*\*\* *First Prize Video* \*\*\*

- d. The American College of Obstetricians and Gynecologists Annual Clinical Meeting, May, 1996, Denver, Colorado
- e. 3rd International Endoscopic Film Festival; sponsored by AAGL; Phoenix, AZ, May, 1996  
\*\*\* *First Prize Video* \*\*\*

19. "Laparoscopic Presacral Neurectomy" produced by the *Video Journal of Obstetrics and Gynecology*. published by Medical Video Productions. St. Louis, Mo. May, 1991
20. Laparoscopic surgery video atlas; sponsored by the American Association of Gynecologic Laparoscopists, 1994; produced by Medical Video Productions, St. Louis, MO.
  - a) Laparoscopic adhesiolysis
  - b) Laparoscopic bowel resection - Co-author: Dean Sharpe, M.D., FACS
21. "The limits of laparoscopy: Diaphragmatic Endometriosis." *Video Journal of Obstetrics and Gynecology*. published by Medical Video Productions. St. Louis, Mo. Nov, 1994.
22. "Laparoscopic treatment of intestinal endometriosis" Produced by Centre Internationale de Chirurgie Endoscopique, Clermont-Ferrand, France, 1995.
23. "Electrosurgical laparoscopic hysterectomy" *Video Journal of Obstetrics and Gynecology*. published by Medical Video Productions. St. Louis, Mo. May, 1995.
24. "Endometriosis: At Time of Diagnosis" published by Time-Life Video, February, 1996.
25. "Treatment of endometriosis with simple instruments" *Video Atlas of Gynecological Surgery* published by Medical Video Productions. St. Louis, Mo. November, 1996.
26. "Iatrogenic rectovaginal fistula: Laparoscopically-assisted repair" February, 1997.  
*Presented at:*
  - a. The American Association of Gynecologic Laparoscopists 26th Annual Meeting, September, 1997 Seattle, WA
  - b. The American College of Obstetricians and Gynecologists 46th Annual Clinical Meeting, May 13, 1998, New Orleans, LA
27. "Laparoscopic treatment of endometriosis of the obturator nerve" February, 1997.  
*Presented at:*
  - a. The American Association of Gynecologic Laparoscopists 26th Annual Meeting, September, 1997, Seattle, WA
28. "Laparoscopic ovarian suspension", November, 2000  
*Presented at:*
  - a. American Society of Reproductive Medicine, Orlando, FL, Oct, 2001
  - b. American Association of Gynecologic Laparoscopists, San Francisco, CA, Nov, 2001
29. "Laparoscopic bowel suturing." August, 2005. In Jain N, ed, State of the art atlas and textbook of laparoscopic suturing. New Delhi: Jaypee Brothers, 2005
- 30/1. "Bleeders", "Double Trouble" Complications of laparoscopic surgery, Athens, Greece, May, 2010.
- 32/3. "Bleeders", "Double Trouble", "Removal of symptomatic Monarc mesh", "Removal of sacrospinous fixation mesh mess," presented at AAGL 41<sup>st</sup> Annual Clinical Meeting, Nov, 2012, Las Vegas, NV.

May,	1989	2nd International Symposium on Endometriosis, Houston, Texas
June,	1989	2nd World Congress on Gynecologic Endoscopy, Clermont-Ferrand, France
Sept,	1989	1st International Symposium on the prevention of post-operative adhesions. Phoenix, Arizona, 15 cognates, Category I
Nov,	1989	American Fertility Society 45th Annual Meeting, San Francisco, California
Mar,	1990	"Modern Surgical Treatment of Endometriosis. I", Scottsdale, Arizona, Sponsored by the University of Arizona School of Medicine.
Oct,	1990	Southern Medical Association. Basic operative endoscopy series
Oct,	1990	American Fertility Society 46th Annual Meeting, Washington, D.C.
Nov,	1990	2nd Annual Advanced Operative Laparoscopy/Hysteroscopy Seminar, Birmingham, Alabama, 13 hours
Nov,	1990	19th Annual Meeting of the American Association of Gynecologic Laparoscopists, Orlando, Florida, 17 cognates, Category I
Feb,	1991	Advanced operative laparoscopy. Postgraduate course sponsored by the American Association of Gynecologic Laparoscopists, Miami, Florida, 18 credit hours, Category I
Mar,	1991	Modern Surgical Treatment of Endometriosis, 2nd Annual Symposium, Scottsdale, Arizona, sponsored by the University of Arizona School of Medicine. 17 credit hours, Category I
Aug,	1991	Laparoscopic retroperitoneal surgery, University of Lille, Lille, France, 20 hours
Sept,	1991	Advances in Operative Laparoscopy. AAGL Post Graduate Course. Bali, Indonesia, 16 hours.
Oct,	1991	American Fertility Society 47th Annual Meeting, Orlando, Florida, 27 cognates.
Oct,	1991	"Operative Laparoscopy". Post Graduate Course sponsored by the Society of Reproductive Surgeons, Orlando, Florida.
Nov,	1991	Advanced endoscopic surgery course. St. Mary's Hospital, Milwaukee, WI, 12 cognates
Nov,	1991	American Association of Gynecologic Laparoscopists Post Graduate Course in Advanced Laparoscopic Surgery, Las Vegas, Nevada. 7 Cognates
Nov,	1991	American Association of Gynecologic Laparoscopists 20th Annual Meeting, Las Vegas, Nevada. 17 Cognates
Dec,	1991	Washington State Obstetrical Association Annual Meeting, Seattle, Washington, 14 Cognates
Feb,	1992	Advanced operative laparoscopy post graduate course. Miami, Florida. American Association of Gynecological Laparoscopists, 14 hours
Mar,	1992	Modern Surgical Treatment of Endometriosis, 3rd Annual Symposium, Phoenix, AZ. University of Arizona, 15.75 AMA credit hours
Mar,	1992	Advanced operative laparoscopy. Sponsored by The University of Chicago. Chicago, Il.
Sept,	1992	World Congress of Gynecological Endoscopy/ 21st Annual Meeting of the American Association of Gynecological Laparoscopists. Chicago, Il. 17 Cognates
		Post Graduate Course in Advanced Operative Laparoscopy, 6 Cognates
Oct,	1992	Advanced laparoscopic surgery course, St. Luke's Hospital, St. Louis, MO. 11.25 cognates
Mar,	1993	Modern Surgical Management of Endometriosis, 4th Annual Symposium. Phoenix, AZ, sponsored by The University of Arizona Health Sciences Center. Scottsdale, AZ, 16.0 Category I hours
Aug,	1993	1st Annual Gynecologic Endoscopy Film Festival, San Diego, CA. 15 Cognates.
Oct,	1993	American Fertility Society 49th Annual Meeting. Montreal, Quebec, Canada.
Nov,	1993	American Association of Gynecologic Laparoscopists. Post Graduate Course - Endometriosis Reappraised, a revisionists' view, San Francisco, CA. 6 Cognates
Nov,	1993	American Association of Gynecologic Laparoscopists. 22nd Annual Meeting, San Francisco, CA.
July,	1994	2nd International Gynecologic Endoscopic Film Festival, San Diego, CA Sponsored by AAGL. July 8,9, 1994. 15 Cognates
Oct	1994	AAGL 23rd Annual Meeting, NY, NY, October 18 - 23, 1994. 15 Cognates
		Post Graduate Course - Surgical Approaches to Endometriosis.
Mar	1995	Surgical treatment of endometriosis. March 16 - 18, 1995. Phoenix, AZ 16 credit hours.
Nov	1995	24th Annual Meeting of AAGL and Post Graduate Course in Electrosurgery Orlando, Florida.

April,	1996	28th Annual Mat Weis Symposium. St. John's Mercy Medical Center, St. Louis, MO, 11 credit hours.
May,	1996	3rd International Endoscopy Film Festival; sponsored by AAGL; Phoenix, AZ, 11 hours.
July,	1996	2nd International Symposium on office microendoscopy and endoscopic microsurgery sponsored by AAGL; San Francisco, CA, 15 hours.
Nov	1996	25th Annual Meeting of AAGL, Chicago, IL 15 hours.
June	1997	World Conference on Endoscopy, Rome, Italy. June 18 - 22, 1997, 15 hours.
Sept	1997	26 th AAGL Annual Meeting, Seattle, Washington 15 hours
Oct	1997	53rd Annual meeting ASRM, Cincinnati, OH
May	1998	46th Annual Clinical Meeting of The American College of Obstetricians and Gynecologists.
Oct	1998	12th Annual Symposium on Gynecologic Endoscopy, St. Louis, MO, Oct 23, 24, 1998. Sponsored by St. Luke's Hospital. 9 cognates.
Feb	2002	VII World Congress on Endometriosis. San Diego, CA Feb 24 - 26, 2002. 21 hours.
Oct	2002	58th Annual Meeting ASRM, Seattle, WA 2 hours.
June	2003	First Endoscopic Surgery Week, Glasgow, Scotland, June 16 - 18, 2003. 12 hours.
June	2003	Second World Congress on Gynecologic Endoscopy, Rome, Italy, June 23 - 28, 2003. 15 hours.
2003-2011		Multiple national and international meetings.
